**Max Slippage**

This is the expected % difference between the quoted price and the executed price.

⑥ Tap on **Get quotes**.

⑦ If you are satisfied with the quote and gas fee, swipe the blue bar **Swipe to swap**.

After completion, the bar will turn to green **Swap!** and MetaMask will notify you with **Transaction #X Complete!** message below.

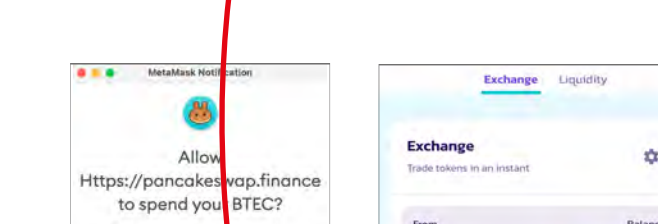

## Using PancakeSwap with MetaMask Wallet

### On PC Only

#### 1 Connect MetaMask Wallet

① Visit <https://pancakeswap.finance/swap>.

② Click on **Connect Wallet**.

③ Click on **MetaMask** icon.

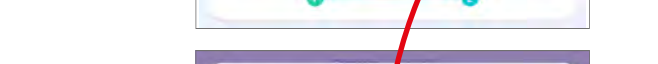

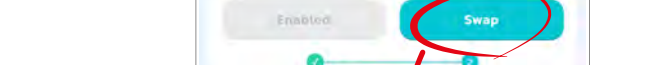

④ MetaMask notification window will pop up.

Check the account on MetaMask wallet to be connected.

Click on **Next**.

⑤ Click on **Connect**.

After the successful connection, the status on MetaMask wallet will be changed to **Connected**.

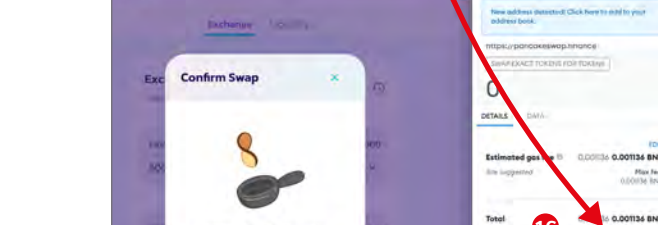

⑥ Since PancakeSwap is a decentralized exchange (DEX) on Binance Smart Chain (BSC), MetaMask wallet needs to be connected to BSC network.

If the MetaMask wallet is not connected to BSC network, it will prompt you to switch to BSC network.

Click on **Switch network**.

#### 2 Import BTEC Token

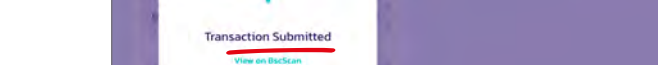

⑦ Click on the token name in From field.

⑧ Paste the following BTEC's contract address in Search name or paste address field:  
`0xa3f07c4ea25c8d2a7029dc0322396a6b4b00a0fc`

⑨ Click on **Import**.

⑩ Check **I understand** and Click on **Import**.

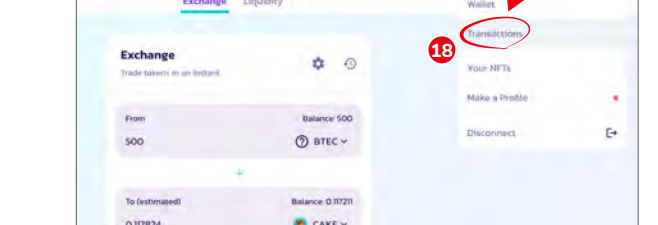

**BTEC Amount** to swap

**Select a currency**

In To field, select the token you want to swap to. Here, CAKE, a native utility token of PancakeSwap is selected.

The amount of token you can get and the market price will be automatically updated.

#### 4 Enable BTEC

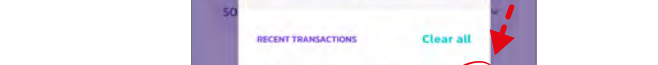

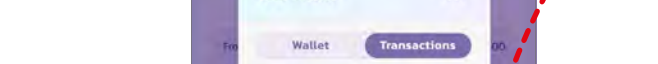

⑫ Click on **Enable BTEC**.

⑬ MetaMask Notification will prompt you to allow PancakeSwap to spend your BTEC.

Click on **Confirm**.

After BTEC is successfully enabled, PancakeSwap will notify you with **Transaction receipt: Approve BTEC**.

⑭ Click on **Swap**.

⑮ If you are satisfied with the quote and gas fee, click on **Confirm Swap**.

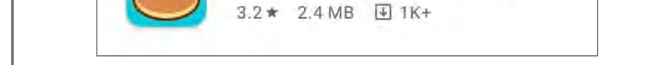

During the confirmation, the price may have been updated. Click on **Accept**.

⑯ MetaMask Notification will prompt you to confirm the transaction.

Click on **Confirm**.

After successful transaction, PancakeSwap will notify you with **Transaction receipt: Swap XXX BTEC for XXX Token**.

On your MetaMask wallet, the token will be updated under **Assets**.

⑰ Click on the wallet icon at the top-right.

⑱ From the drop-down list, Click on **Transactions**.

You can check your recent transactions on PancakeSwap.

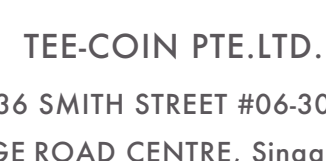

Click on Redirect icon for more detailed transactions on Binance Block Explorer.

### Beware of Fake PancakeSwap Apps

**PancakeSwap does NOT have a mobile application, whether iOS or Android.**

**Do NOT download any PancakeSwap app on Apple Store and Google Play Store.**
