To send TEC using the TRIAM Network system, the following steps are required:

- 1. Ceate a META Mask wallet to receive BTEC (skip to step 2 if you already have one).
- 2. Prepare the secret key of the wallet containing TEC.
- 3. <u>Send all TEC on the TRIAM Network to the specified wallet.</u>
- 4. <u>Contact TEE-COIN via the application form to provide your TEC sending wallet</u> <u>address and the wallet address where you want BTEC to be deposited.</u>
- 5. <u>Confirm the receipt of BTEC.</u>

1. Create a META Mask wallet to receive BTEC

If you already have one, there is no need to create a new one. Please ensure that BTEC is added to the token list (if not added, please add). Instructions for creating a META Mask: <u>META Mask Creation Manual(English)</u>

2. Prepare the secret key of the wallet containing TEC

The secret key is a 56-character string starting with 'S' that is notified only to the owner and unique to each wallet. Please note that in case of loss, we may not be able to assist you as it is considered confidential information.

3.Send all TEC on the TRIAM Network to the specified wallet

- 1. Register for an account on the TRIAM Network (skip to step 2 if already registered).
 - 1.1. Access the TRIAM Network: https://wallet.triamnetwork.com/login
 - 1.2. Click on "Create Free Account" at the bottom.
 - (If you are already registered on the TRIAM Network, please log in and proceed to step 2.)

- 3.2. Select "Send Coin/Token."
- 3.3. Enter the wallet address (below) of the wallet for TEC remittance in the "Destination Wallet Address" field. Or, enter the address by reading the QR code.

TEC Sending Wallet Address: GABHT56CTGH6EX7H74IJGY44VRTS5E5QQ7MDQOFN6BDQZ7CUMOU4MEG7

3.4. Set the quantity to "All amount - 0.01" (0.01 is the sending fee), enter your name in the message field, and click "Send."

*Please note that unless the full amount is sent, conversion to BTEC may not be possible. We will confirm the balance and send BTEC accordingly. 4.Contact TEE-COIN via the application form(Google) to provide your TEC sending wallet address and the wallet address where you want BTEC to be deposited.

Submit the required information on the BTEC transfer application form.

5.Confirm the receipt of BTEC

TEE-COIN will send you BTEC based on the TEC you sent. Please check your META Mask wallet. (Please allow a few days for the confirmation process.)
